

YOU CAN BRING JOY TO REFUGEE CHILDREN & FAMILIES JOIN US AS A SPONSOR TODAY

Dear Friends,

On November 18, 2020, over 200 dedicated community members including volunteers, business owners, and faith leaders will come together for our **WARM 2020 Virtual Fundraiser**. Worcester Alliance for Refugee Ministry is a rapidly growing leader in refugee support services in Worcester, Massachusetts. The families we are serving have sometimes waited years to come to America, from countries in great turmoil. We have chosen to actively care for them, provide a warm welcome, a furnished apartment, mentoring, and ongoing support.

I am writing today to let you know about the **sponsorship opportunities** available during this great event. As a sponsor, your company or organization will be showcased to community members from all over central Massachusetts and even across the nation as people join virtually. **Together we can provide vital support services to refugee children and families in great need.**

*One of our refugee friends recently thanked a volunteer for the help WARM has given him and his family since arriving from Africa last year. Counting on his fingers, he listed housing, transportation, English lessons, doctor's visits... and, most importantly, **friendship**. These are some of the many ways we enable our new friends to acclimate to life in the U.S.*

Please take a minute to review the exciting sponsorship opportunities available for our WARM 2020 Virtual Fundraiser. Contact us if you have any questions. I truly hope you will join our Zoom event on Wednesday evening, November 18, 2020, 7:00 - 8:00 p.m.

Sincerely,

Jennifer Frye
Executive Director
